

This season's best dressed doors will be wearing Schlage.

First impressions count, so to make a truly fashionable statement for your home you don't have to look any further than Schlage's 8000 series.

Boasting an exquisite collection of seven lever designs they can be seen on the doors of Australia's premier residential and business addresses. This range is designed to compliment the latest in modern architectural features of simple lines and form.

Take a look at Schlage today and see why Schlage is a must have accessory for your door.
